**product Zoo**  
**standout** Limited-edition occasional tables in polished copper, brass, or stainless steel have unusual leg configurations that confer a zoomorphic vibe. Through Studiotwentyseven, studiotwentyseven.com. **circle 410**

**product Blackwebwood**  
**standout** Hand-sculpted and -polished, this cantilevered end table pairs a faceted top of Oregon pine—sandblasted, with charcoal finish—with a slate base. philippe-hurel.com. **circle 411**

**product OTM**  
**standout** Designed by Jonathan Levien and Nipa Doshi, tables of powder-coated aluminum in height-adjustable and fixed versions secure a laptop at work or home. schiavello.com. **circle 412**

**product Kosy**  
**standout** Curvy, sexy bedroom pieces—nightstands and dressers—are made of stained white oak with lacquered and acid-etched glass tops; the coordinating bed's wraparound headboard is partly sheathed in leather. huppe.net. **circle 413**

**product Container Oval**  
**standout** Conical legs in stained or lacquered oak veneer—filled with sand for strength and stability—support an oval tabletop of the same material. moooli.com. **circle 414**
